# Equine Safety Initiatives

---

There have been several equine safety initiatives that have been implemented at Churchill Downs. Below are the changes and how they affect you.

- 1. RULES AND CONDITIONS FOR RACING AND TRAINING AGREEMENT:** This must be signed and submitted to the Stable Office upon arrival. This agreement will cover all Kentucky CDI properties and will be in effect until the end of the Turfway Park 2024 Winter/Spring Meet. Please make sure you and your veterinarian sign prior to turning it in. See page 3 for the agreement.
- 2. WORKING AFTER PLACEMENT ON VETERINARIAN'S LIST:** Trainer will not permit a horse placed on the Veterinarian's List to perform a high-speed (published) work for seven (7) days following placement on the Veterinarian's List.
- 3. MEDICATION-RESTRICTED RACES:** Pursuant to KHRC regulation 810 KAR 8:010 all two (2) year-old races and stakes races will be conducted Lasix-free. Please consult with your veterinarian, Churchill Downs Equine Medical Director (Dr. Farmer), or the KHRC if you have any questions regarding this regulation.
- 4. PRE-ENTRY EXAM:** Pursuant to KHRC regulation, all horses must have an exam performed by your veterinarian within the three (3) days preceding a race entry. This exam is to be documented by your veterinarian and he/she will include their findings on their daily treatment records submitted to the KHRC.
- 5. PRE-WORK EXAM:** All horses stabled at Churchill Downs, Ellis Park, Trackside or Turfway Park must have an exam performed by your veterinarian within the five (5) days preceding a timed workout, per the rules and conditions for racing and training agreement. This exam is to be documented by your veterinarian and turned in to both KHRC and CD Equine Medical Director, Dr. Farmer.
- 6. IN-TODAY SIGNAGE:** All horses entered to race must be clearly identified starting at 7:30am on race day with an "In-Today" sign. Trainers should hang these signs on the stall door or adjacent to the stall. This is separate from the KHRC Lasix tag hung following lasix administration. Extra signs are available in the Stable Office.
- 7. ENTRY RESTRICTIONS:** All 4-year-old and older first-time starters and any previously raced horse that has not raced in the previous 365 days must contact the KHRC veterinarians to schedule an official veterinary work PRIOR to entry. Any horse that has previously raced, but has not raced in the previous 150 days must contact the CDI Equine Medical Director PRIOR to entering the horse in a race. **Any previously raced horse that has not raced in the previous 30 months is ineligible to train or race at any Churchill Downs Property, unless approved in advance by the CDI Equine Medical Director.**
- 8. WAIVER CLAIMING RULE:** Allows a trainer to enter a claiming race, but be ineligible to be claimed providing the horse has not started for a minimum of 120 days since its last race. And the horse is entered for a claiming price equal to or greater than the price at which it last started. Please see page 14 of the Condition Book for more details.

CHURCHILL DOWNS RACETRACK, ELLIS PARK, TURFWAY PARK  
AND CHURCHILL DOWNS TRAINING CENTER

## Rules and Conditions for Racing and Training

---

As a condition to, and in consideration for the undersigned trainer ("Trainer") being permitted to race, work, or train any horse at a Churchill Downs Incorporated ("CDI") owned facility, including, Churchill Downs Racetrack, Churchill Downs Training Center, Ellis Park or Turfway Park (each, a "Churchill Facility", and collectively, the "Churchill Facilities"), the Trainer and the undersigned Trainer's attending veterinarian ("Attending Veterinarian") hereby agree to be bound by the following conditions (the "Conditions"):

1. At all times, a horse must be in serviceable, sound racing condition in order to race, work or train at a Churchill Facility. The Trainer acknowledges that it is his/her obligation to confirm the horse is in serviceable and sound racing condition, in order to race, work or train on a Churchill Facility's grounds. Any horse that has not raced within thirty (30) months since its last start shall be presumed unsound to race, work, or train at any Churchill Facility, unless approved in advance by the CDI Equine Medical Director. Any horse treated with extracorporeal shockwave therapy, radial pulse therapy, or similar treatments shall not race or work for a minimum of thirty (30) days following such treatment.
2. Trainer will not enter a horse in any race UNLESS the horse has: (a) been examined by Trainer's Attending Veterinarian during the three (3) days immediately preceding the close of entries for the selected race for the express purpose of evaluating the horse's fitness to race; and (b) been found fit to race by the Attending Veterinarian. This evaluation shall include, at a minimum, watching the horse jog. The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director and the Kentucky Horse Racing Commission ("KHRC") official veterinarian or his/her designee of any changes in the horse's fitness after entry through race day. The Racing Secretary, in consultation with the CDI Equine Medical Director, may, but shall not be obligated to, consider any extenuating circumstances to the examination requirement of this rule on a case-by-case basis.

3. Trainer will not permit a horse stabled at a Churchill Facility to work UNLESS the horse has:  
(a) been examined by the Trainer's Attending Veterinarian during the five (5) days immediately preceding the work for the express purpose of evaluating the horse's fitness to work; and  
(b) been found fit to work by the Attending Veterinarian (this evaluation shall include, at a minimum, watching the horse jog). The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director or his/her designee of any changes in the horse's fitness after the examination set forth above and before the horse works.
4. Trainer will not permit a horse placed on the Veterinarian's List to perform a high-speed (published) work for seven (7) days following placement on the Veterinarian's List.
5. Trainer will not enter in any race a horse that is a four-year old or older first time starter or a previously raced horse that has not raced in the 365 days preceding the date of the selected race UNLESS, in addition to the criteria set forth in Section 2, above, such horse has completed an official work for the KHRC veterinarian or his/her designee prior to entry. Horses that have not raced within the one hundred fifty (150) days but have raced within the three hundred sixty-five (365) days preceding the date of the selected race must have an examination performed by the CDI Equine Medical Director or his/ her designee prior to entry. Based upon that examination, the CDI Equine Medical Director may require the horse to work prior to being allowed to enter. If the horse is required to work it must meet the same requirements as a horse that is working off of the KHRC's Veterinarian's list.
6. Under no circumstances shall an examination conducted by a veterinarian who has NOT been identified as the Trainer's Attending Veterinarian in compliance with these Conditions constitute a valid examination for purposes of determining a horse's fitness to race, work or train.
7. The Churchill Facilities and the CDI Equine Medical Director are entitled (but not obligated) to contact, without prior notice, Trainer's Attending Veterinarian to confirm that examinations have been conducted pursuant to these Conditions and that any such examination meets the applicable Churchill Facility's requirements. The Churchill Facilities and the CDI Equine Medical Director shall have the right (but not the obligation) to examine and review all records of examinations performed in accordance with these Conditions, and Trainer agrees that the applicable Churchill Facility or the CDI Equine Medical Director may inspect and copy for each's own use, and Trainer shall provide upon request, all documents, electronic or otherwise, containing reports by official racing veterinarians of pre-race examinations, post-race examinations (including without limitation necropsy reports) and/or any records of procedures required by regulatory agencies or under applicable industry safety accreditation organizations of Trainer's horse(s) racing or training at each Churchill Facility.
8. All horses stabled or entered to race at a Churchill Facility, or present on a Churchill Facility's grounds, are subject to: (a) veterinary inspections and requests for veterinary medical records by the CDI Equine Medical Director, or his/her designee and (b) veterinary monitoring. Trainer, Trainer's staff, and Attending Veterinarians will cooperate fully with all requests made by CDI veterinarians and the applicable Churchill Facility's staff.
9. As used herein, the term "Attending Veterinarian" shall include the undersigned veterinarian and any veterinarian who is a member of his/her veterinary practice.
10. If stabled on a Churchill Facility's grounds, both Trainer and the Attending Veterinarian will abide by all rules and regulations of the applicable Churchill Facility, including, without limitation, House Rules (including those relating to TCO2 or "Milkshake" testing, and all medication and integrity rules), or other rules (including, without limitation, all rules set forth

in the applicable Churchill Facility's Condition Book, Stall Application, the Rules of the Barn Area, and the Rules of the Track), all of which are hereby expressly incorporated by reference herein. Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

11. All KHRC licensees, including but not limited to each Churchill Facility, owners, trainers, jockeys, and grooms ("licensees"), participating in stabling, racing, training, and related activities at the Churchill Facilities recognize that hazards and risks inherent in such activities may cause the injury or death of horses. Therefore, in consideration of participating in stabling, racing, training, and related activities at a Churchill Facility, all licensees assume the risks of, and release, hold harmless and covenant not to sue all other licensees so participating for: (i) Ordinary negligence which causes or contributes to loss, loss of use, injury or damage to horses while on the premises of such Churchill Facility; and (ii) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of use, injury or damage to horses arising from the use of grass fields or gallops owned or controlled by such Churchill Facility, whether arising from alleged acts or omissions of a licensee and its agents or employees, the condition of the premises of such Churchill Facility or any other cause. Except as provided above, all licensees participating in racing, training, and related activities at a Churchill Facility shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law. The foregoing provisions shall be construed in a manner consistent with the limitations set forth herein to be as broad and inclusive as permitted by the laws of the Commonwealth of Kentucky and the KHRC's regulations and shall be binding upon Trainer, its successors and/or assignees. The maintenance by CDI or any of its subsidiaries of insurance shall not affect the terms or interpretation of this Agreement. The foregoing release shall extend to CDI's and its subsidiaries' officers, directors, agents, employees, contractors, servants and licensees. In the event of any inconsistency between these provisions and the KHRC's regulations, the KHRC's regulations shall control. Further, these provisions shall be deemed to be amended to the extent of, and to be in compliance with, any amendment to the KHRC's regulations.
12. Both Trainer and Attending Veterinarian will abide by all rules and regulations of the KHRC, at any time expressly incorporated by reference herein, and the rules and regulations of the KHRC, at any time adopted or as they may be amended (collectively, "KHRC Regulations"). Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.
13. Any failure by CDI or a Churchill Facility to enforce any terms or conditions of this Agreement shall not constitute a waiver by such Churchill Facility, and shall not affect or impair this Agreement in any way, or the right of CDI at any time to enforce this Agreement. A Churchill Facility representative's approval or consent to any action proposed by Trainer or Attending Veterinarian shall not waive Trainer or Attending Veterinarian's obligation to strictly comply with this Agreement.
14. Both Trainer and the Attending Veterinarian understand and acknowledge that these Conditions shall be in effect annually commencing on the date of the opening of the Ellis Park Racetrack stable area prior to the Ellis Park Racetrack Summer Meet (or any successor meet therefor) each year and continuing through the conclusion of the Turfway Park Winter/Spring Meet (or any successor meet therefor) the following year, and for Trainers that have horse(s) on a Churchill Facility's grounds, these Conditions shall be in effect from earliest date noted below and for so long as Trainer has horse(s) on such Churchill Facility's grounds.

By signing below, Trainer acknowledges and agrees that Trainer (a) has read and fully understands the Conditions and agrees to be bound by them, (b) will consult with Trainer's Attending Veterinarian and the CDI Equine Medical Director if Trainer has any questions regarding such Conditions, and (c) will fully comply with the Conditions.

By signing below, the Attending Veterinarian acknowledges and agrees that he/she (a) is the Attending Veterinarian for the undersigned Trainer, (b) has read and fully understands the above Conditions and agrees to be bound by them, (c) will consult with the CDI Equine Medical Director if he/she has any questions regarding such Conditions, and (d) will comply fully with the Conditions.

Any change in the party that will be acting as the Trainer's Attending Veterinarian requires Trainer and the new Attending Veterinarian to submit a fully executed copy of these Conditions to CDI Equine Medical Director.

Once completed, please return the signed document to Dr. Will Farmer at William.Farmer@kyderby.com or text to 260-438-4151.

### **COMPENSATION INSURANCE**

**All trainers are required to furnish the Kentucky Horse Racing Authority with the name of your insurance company and policy number. The insurance company should also send to the KHRA office a copy of your insurance certificate. Anyone not complying with this requirement will be suspended and/or fined and entry of horses will be refused.**

**A negative coggins test and health certificate or copy thereof, must be presented at the stable gate before horses will be permitted to unload.**

### **TRACK RULES**

Monies deposited with the horsemen's bookkeeper for the purpose of claiming a horse must be in cash or a certified or cashier's check.

No entry will be received except upon the condition that all disputes, claims and objections arising out of the racing or with the respect to the interpretation of the conditions of any race shall be decided by the officers of this Association or those whom they appoint, and their decision upon all points shall be final.

**ALL TWO-YEAR-OLDS MUST BE PROPERLY SCHOOLED AND APPROVED BY THE STARTER BEFORE BEING ALLOWED TO START.**

**EVERY HORSE MUST BE SADDLED IN THE PADDOCK.** This rule is imperative. Horses must be in the paddock at least TWENTY MINUTES before the scheduled post parade.

The stewards reserve the right to substitute one jockey for another, at their discretion. It will be their purpose to substitute a jockey of equal ability.

### **CONDITION PREFERENCE**

Horses are preferred by their available conditions in all allowance races beginning with Graded Stakes winners (Grade I-II-III), providing the horse has finished 1st, 2nd, 3rd or 4th for \$40,000 or more since starting for less than \$40,000. In allowance/optional claiming races a horse's preference cannot exceed the condition of the race. Starter races for less than \$25,000 will not be preferred.

### **WINNERS ARE PREFERRED IN ALL NON MAIDEN RACES.**

#### **SHIP-INS**

Entrant agrees that any horse running at Ellis will be on the grounds a minimum of 4 1/2 hours prior to race time. Failure to have the horse in its assigned stall on time will result in disciplinary action by the stewards. All horses, including lead ponies, seeking entrance to the stable area shall be accompanied by a current negative EIA Test (aka Coggins) and be listed on a Certificate of Veterinary Inspection (CVI) with the examination and issuance of the certificate being signed and dated by a licensed veterinarian within 72 hours prior to arrival. Additionally, each horse seeking entrance to our stable area shall be vaccinated against Equine Herpesvirus Type 1 (EHV-1) by a licensed veterinarian a minimum of 14 days and no more than 120 days prior to entry into our stable area. Once a horse receives the initial EHV-1 vaccination, re-vaccination is required every 120 days. For example, if a horse was vaccinated in January, he/she is required to be vaccinated at least every 120 days while stabled at the track. The minimum 14 day vaccine requirement applies only to horses that have not been vaccinated for EHV-1 during the preceding 120 days. For each horse, the Certificate of Veterinary Inspection (CVI) shall indicate the date of the horse's vaccination and the specific vaccine product use.

### **TURF RACE ENTRIES**

In an effort to Insure that racing fans will have an opportunity to wager on a reasonable number of horses, the following changes will be made concerning turf entries.

Entries will be accepted in turf races (excluding stakes) for Dirt Preferred horses. Trainers must declare the horse as Dirt Preferred at time of entry. A Dirt Preferred entry has no preference to draw into a turf race as a starter over a turf entry.

In over-filled turf races the also-eligible list shall be comprised of first, turf entries and then dirt preferred. Also-eligibles will have preference to draw into the race in the order listed on the overnight.

When a race is removed from the turf, Dirt Preferred horses will receive an R-Date if they run or scratch. If the race remains on the turf, Dirt Preferred horses will retain their previous date.

### **TURF COURSE**

All races programmed to be run on the turf course may, in the event of a change in the condition of the course, be transferred and run over the main track.

All races transferred from the turf course to the main track will be run at the same distance, except that races at one mile and one sixteenth will be contested at one mile. Races run at one mile will be contested at one mile out of the chute on the main track. Ponies will not be allowed on the turf course.

### **ALSO ELIGIBLES**

If there are any scratches in a race with also-eligibles, the also-eligible horses will be permitted to move into the race in order listed on overnight. At the discretion of the Racing Secretary, the also-eligibles may remain on the program and be scratched up to fifteen minutes prior to pari-mutuel windows opening.

## DATE PREFERENCE SYSTEM

The Date System of preference will be used at Ellis Park as described below:

Foal Certificates and digital foal certificates no longer are required to be on file in the racing office to enter or start at Ellis Park; however, foal certificates and digital foal certificates must be on file to obtain a preference date and to get a horse tattooed.

Each day's overnight will list the dates of horses in and on the also-eligible list to enable trainers to see what dates are getting horses in over-filled races.

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Ellis Park will be assigned a preference date. Dates assigned will be of two types:
3. FORAZERO DATE foal papers and digital foal papers must be turned in to the identifier by Friday, July 7th, 2023.

### E-Date

This date will correspond to:

- a) The day on which a horse's foal papers or digital foal papers are submitted to the identifier (the earliest date being the day when entries are first taken for the meeting). An unnamed horse will not receive an E-date.
- b) The day on which a horse is first entered if his papers or digital foal papers are not on file with the identifier.

To qualify for the latter E-date, a horse must have been excluded from a race which appears on the overnight or he must have been entered in a condition book race which failed to fill through insufficient entries.

### R-Date

This date will correspond to the day of a horse's most recent race at Ellis Park. An R-Date will also be assigned to a horse which scratches.

4. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers or digital papers are removed from the identifier's office will lose his date and must subsequently re-establish a date in order to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another race track will forfeit any date they may have at Ellis Park.
5. Preference dates will consist of two categories: Dirt (D) and Turf (T). Preference dates are good for any type of race or distance.
6. A horse that runs in a race, which has been taken off the turf will retain its turf date. A scratched horse will receive an R-date from the date scratched.
7. When a race is taken off the turf, main track only (MTO) horses will receive an R-Date if they run or scratch. If the race remains on the turf, main track only (MTO) horses will retain their previous date and will not be permitted to start.
8. No E-Date will be assigned to the second choice of an unsplit same-owner entry.
9. A horse which has been placed on a list (veterinarian, steward, starter or paddock judge) will lose their date and be assigned an R-Date corresponding to the day removed from list.
10. A horse which is a scheduled starter in a cancelled race will not receive an R-Date for that race but will retain its previous date.
11. The draw of stakes and handicap race is not subject to date preference.
12. Preference dates are transferred through change of ownership and changes in trainer after the proper transfer procedure have been completed through the Steward's office and delivered to the Racing Secretary's office.
13. Date preference rules will not supersede KHRC rules regarding preference, eligibility or scratches.
14. Winners will be preferred in all non maiden races.

## **HISA RULE 2262 (2263). WAIVER CLAIMING OPTION**

At time of entry into a Claiming Race an Owner or Trainer may opt to declare a Horse ineligible to be claimed provided:

- a) The Horse has not started in 120 days;
- b) the Horse's last start must have been for a claiming price; and
- c) the Horse is entered for a claiming price equal or greater than the price it last started for.

## **2276. HORSESHOES**

- a) Except for full rims 2 millimeters or less from the ground surface of the Horseshoe, traction devices are prohibited on forelimb and hindlimb Horseshoes during racing and training on dirt or synthetic racing tracks.
- b) Traction devices are prohibited on forelimb and hind limb Horseshoes during training and racing on the turf.
- c) Traction devices include but are not limited to rims, toe grabs, bends, jar calks and stickers.

**HISA Rule 2276** shall not be enforced for horses racing on dirt surfaces that are shod on the hind limbs with traction devices in the form of either a full outer rim shoe (up to 4 mm in height) or a toe grab (up to 4 mm in height). All other provisions of Rule 2276 shall remain in full force and effect. Enforcement of Rule 2276 will begin as previously announced on Monday, August 1, 2022.

## **HISA RULE 2240. VETERINARIANS' LIST**

- a) A Veterinarians' List shall be maintained by the Authority of all Horses that are determined to be ineligible to compete in a Covered Horserace in any jurisdiction until released by a Regulatory Veterinarian.
- b) The following Horses shall be placed on the Veterinarian's List until removed in accordance with Rules 2241 and 2242:
  - 1. Horses affected by illness, physical distress, medical compromise, unsoundness, injury, infirmity, heat exhaustion, positive test or overage, administration of a medication invoking a mandatory stand down time, administration of Shock Wave Therapy, positive Out-of-Competition test or any other assessment or determination by Regulatory Veterinarians that such Horse is unfit to race.

Section 3, Subsection 8, (A), (B) and (C)

- (8) A horse that has not started in the past forty-five (45) days shall not be permitted to start
- (a) unless it has at least one (1) published workout within twenty (20) days of entry at a distance satisfactory to the stewards. If a horse has performed the requisite workout, but the workout does not appear in the past performances, the horse shall be permitted to start if the stewards determine that the workout failed to be published through no fault of the trainer.
  - (b) A horse that has not started in the past ninety (90) days shall not be permitted to start unless it has at least two (2) published workouts during the past ninety (90) day period, one of which occurs within twenty (20) days of entry at a distance satisfactory to the stewards.   - (c) A horse that has not started in the past 180 days shall not be permitted to start unless it has at least three (3) published workouts during the past 180-day period, one (1) of which occurs within twenty (20) days of entry, at a distance satisfactory to the stewards.   - (d) A horse starting for the first time shall not be permitted to start unless it has three (3) workouts, one (1) of which is from the starting gate, one (1) of which is within twenty (20) days of entry, and at least one (1) of which is published.
  - (e) A workout not appearing in the official program shall be publicly displayed on television monitors, the tote board, and, if available, the bulletin boards where photo finishes are shown at the time when mutuel windows are opened and shall be displayed until the conclusion of the race in which the horse is entered.

## TRACK RULES

Owners or trainers will be required to deposit jockey fees (except for those under contract with the Horsemen's Bookkeeper) no later than one hour prior to the first race on the day of the race. Exceptions to this rule are to be by arrangement of credit in advance. Monies deposited with the Horsemen's Bookkeeper for the purpose of claiming a horse must be in cash or a certified or cashier's check. No entry will be received except upon the condition that all disputes, claims and objections arising out of the racing or with the respect to the interpretation of the conditions of any race shall be decided by the Officers of this Association or those whom they appoint, and their decision upon all points shall be final.

**ALL TWO-YEAR-OLDS MUST BE PROPERLY SCHOOLED AND APPROVED BY THE STARTER BEFORE BEING ALLOWED TO START.**

EVERY HORSE MUST BE SADDLED IN THE PADDOCK. This rule is imperative. Horses must be in the paddock at least TWENTY MINUTES before the scheduled post time. The stewards reserve the right to substitute one jockey for another at their discretion. It will be their purpose to substitute a jockey of equal ability.

## **EQUINE DRUG TESTING**

All winning horses will be subjected to TOBA Supertesting for the presence of performance-enhancing drugs. Ellis Park may participate in a program to freeze and store blood and urine samples so that retrospective testing may be done in the event that suspicious circumstances arise.

## **BAN ON HORSE SLAUGHTER**

Any owner or trainer who directly or indirectly participates in the transport or sale of a horse previously stabled at a CDI property to a slaughter facility or to an auction that facilitates the sale of horses for slaughter shall permanently forfeit all stabling and racing privileges at any CDI property.

## **GELDING & GENDER**

810 KAR 4:010, SECTION 12

Trainers must promptly report all horses gelded to the horse identifier or the racing office. Trainers will be held responsible for not reporting the correct gender of their horse at the time of entry. Failure to comply shall result in disciplinary action by the stewards.

## **TURF RACE ENTRIES**

In an effort to ensure that racing fans will have an opportunity to wager on a reasonable number of horses, the following policies are in place concerning turf entries. Entries will be accepted in turf races (excluding stakes) for Main Track Only (MTO) horses. Trainers must declare the horse as MTO at time of entry. A horse entered as MTO shall be listed as an Also-Eligible. In an over-filled turf race, Also-Eligibles (including MTO) shall be assigned a post position by preference. If preference is equal, post positions shall be drawn by lot, unless otherwise stipulated in the published conditions of the race. If the race remains on the turf, a horse listed as MTO shall not be permitted to draw into the race. When a race is removed from the turf, MTO horses will receive an R-Date if they run or scratch. If the race remains on the turf, MTO horses will retain their previous date. Ellis Park reserves the right to add up to 8 AE's and MTO's to all overnight races.

## **IMPORTANT NOTICE**

Other safety regulations that will be strictly enforced include prohibitions on smoking in the track's barns and rules against the jogging of horses on the inner rail during training hours. The use of grills in the track's barns will also be closely monitored.

## EQUINE INJURY DATABASE

Ellis Park Incorporated ("CDI") and each of its racetracks has entered into an Equine Injury Database Agreement with The Jockey Club ("TJC") to implement one of TJC's Thoroughbred Safety Committee recommendations regarding tracking of equine injuries occurring at any of its racetrack facilities. Trainer, on behalf of himself and as agent for each Owner listed in the Stall Application submitted by Trainer, agrees that accurate tracking of equine injuries is an important step toward improving the safety of horse racing and by accepting the use of certain stalls at Ellis Park, gives its consent to the collection of information related to any injury occurring at Ellis Park to a horse owned or trained by Trainer and entry of said information into a database maintained by TJC and its affiliated businesses (including InCompass Solutions, Inc. [the "Equine Injury Database"]) by Ellis Park and/or the Kentucky Horse Racing Commission-employed Veterinarian (the "Veterinarian") with respect to any injury occurring at Ellis Park to a horse owned or trained by Trainer.

For purposes of this consent, "injury" shall include, but is not limited to, an injury to a horse that is (i) scratched at the recommendation of the examining Veterinarian; (ii) determined to be injured/unsound/in distress, or otherwise unfit in the paddock, post parade, starting gate, during or immediately after the running of the race; (iii) observed to be injured unsound or in distress in the Detention Barn, or as a result of a Veterinarian's post-race inspection; (iv) scratched for medical reason not documented by the Veterinarian (e.g., trainer reports sick, injured, colic, tied-up, fever, etc.); or (v) injured during training or in non-race related events.

Collectively, Ellis Park, the Veterinarian, TJC and its affiliated businesses and the owners, stewards, directors, officers, employees and agents of any of the aforementioned persons and entities may be referred to as the "Indemnified Parties."

Trainer, on behalf of himself and as agent for each Owner listed in the Stall Application submitted by Trainer, further agrees to cooperate in the disclosure of such information to the extent that such cooperation is reasonably required and covenants not to sue and, to the maximum extent permitted by applicable law, to indemnify, release and hold harmless the Indemnified Parties from and against any liability, cost, loss, or expense of any kind of nature (including, without limitation, reasonable attorneys' fees) arising from any claim, demand, or action (a) alleging that the data entered into the Equine Injury Database (either directly or indirectly) violates the rights of Applicant or any third party, or (b) relating to any equine injury report run, published or otherwise created by any of the Indemnified Parties (either directly or indirectly).

# THE KENTUCKY THOROUGHBRED DEVELOPMENT FUND (KTDF)

Given the robust business during calendar year 2022, the state-of-the-art historical racing machines at nearby Derby City Gaming has generated \$15.7 million in KTDF. Horsemen with Kentucky-sired Kentucky-breds have over \$48 million more in purse money to run for in for designated stakes, handicap, allowance, nonclaiming maiden races, and claiming races contested at licensed Thoroughbred race meetings in Kentucky.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5) (d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

**Mrs. Jenny McGaughey, Registrar**  
Kentucky Thoroughbred Owners and Breeders  
4079 Iron Works Parkway  
Lexington, Kentucky 40511  
Phone: 859-259-1643  
Mobile: 859-361-6002

Registration may be completed online at [www.kta-ktob.com](http://www.kta-ktob.com). The Horse Identifier can check registration status of a horse.

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows:

- 60% .....to the winner
- 20% .....to second
- 10%.....to third
- 5%.....to fourth
- 3%.....to fifth

Remaining 2% is to be divided among starters based on the schedule listed above.

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund. Additionally, if a non-KTDF eligible horse is involved in a dead heat, those funds will revert to the fund.

**PLEASE NOTE: ALL KTDF PURSE ALLOTMENTS CONTAINED HEREIN ARE SUBJECT TO KHRC APPROVAL.**

**HBPA**  
KENTUCKY

**REPRESENTING OWNERS & TRAINERS**  
**SERVING THE THOROUGHBRED INDUSTRY**

The Kentucky Horsemen's Benevolent & Protective Association represents about 6,000 licensed Thoroughbred owners and trainers. Founded to provide benevolence to horsemen in need, today's Kentucky HBPA is so much more:

As the only organization negotiating contracts at all five Thoroughbred tracks, we're at the forefront of the resurgence in the circuit that is keeping horses and jobs in Kentucky.

We aggressively fight for horsemen's rights and are a strong supporter of retired racehorse aftercare. We promote Kentucky racing, including initiatives to introduce new fans and a younger generation to the sport.
